Christmas Eve, Dec. 24, 2015

Dear Relatives, Friends, Neighbors, Selected Local Gov’t and Educational Bodies in the Bi-State Area of Greater St. Louis, Missouri; Selected Local, State and Federal Elected Representatives; Area Utility Companies; Selected Contenders for Elective Public Office; Selected Faith Communities; & Catholic Worker Communities globally;

We are a 501(c)(3) public charitable organization named for **St. Marcellus**, who was a soldier of the pagan Roman Empire under the cruel Emperor Diocletian in about 280 A.D.. At a Banquet for soldiers with the Emperor in the Emperor’s palace in what is now Split, Croatia, Former Yugoslavia, he stood up, threw down his sword and armor, and declared in a loud voice for all to hear: “I will no longer serve in the Armies of the pagan Emperor. I am now a soldier for Christ Jesus,” [a.k.a. YESHullah (Revelation 14:1)] “who fights not with material weapons, but with spiritual weapons”. He was martyred on the spot under the enraged orders of Emperor Diocletian.

Except for St. Marcellus’ brave witness, it is hard to imagine that the Empire would become officially Christian within 50 years, when so many soldiers had converted, that General Constantine could win the Battle of Milvan Bridge by obeying the sign from the heavens: ‘In Hoc Signum Vinces’ (In This Sign, Victory), super-imposed on a Latin Cross in the sky. Constantine had the emblem of the Cross and those words affixed to the shields of all his soldiers, and so won the Battle and the imperial purple, then divided the Empire into the two halves, west and east, each at least nominally Christian, and which led to the “**two brass mountains**”, (The Russias and the USA), out from between of whom are coming the four chariots, who are slowly pacifying the whole earth (Zechariah 6).

As a non-profit charitable entity – like all such entities – we are nonetheless allowed to lobby for a Legislative Program with up to ½ of our time, physical and financial resources, up to a value of \$1 Million over any distinct 3-year cycle, if we file a form #5768 with the IRS; “**Election/Revocation of Election by an Eligible 501 © (3) Organization to Make Expenditures to Influence Legislation**”. (Houses of Worship are not so eligible, but other types of faith-inspired entities and communities are.)

We ask you to make copies of this “**Proposed Treaty of Jerusalem on the Constitutional Rights of Children, Economic Fairness for All, and for the Rights of Religion, Nature and the Worker/Farmer/Scholar**” and its 2 pp. Answer Sheet, and to mail it to whomever you wish, especially to candidates in any given election-cycle in your voting district. Then we ask you to answer the survey and mail it back to us, under your signature, etc.. For questions on how to go about re-addressing this Candidates’ Survey for you to send to persons & entities in your area, and how to rate and publicize their answers, just contact us at: 1-800-915 -9820.

If you are a governmental or quasi-governmental body, or a prosperous business, faith community, or household, we ask you to invest ASAP into the installation of the **Parabolic Solar-Thermal Mirror Troughs; Wind Turbines; and/or Sewage-Methane Driven Generators** from the most suitable company or companies of those listed in Item (“I” viz, “i”), on your roofs and grounds.

And we ask you to make a tax-deductible donation into our Endowed Scholarship Fund to train a suitable past-, present or future resident-beneficiary of our charism (a.k.a. Ministry) in the installation, operation and maintenance of the technologies for authentic Green-Clean Energy listed in Item (“I”) viz. (“i”). (Cf. Gospel of Luke 21:25-28). Goal: \$210 K

**AFTERWORD: General Summary of Proposed
“Treaty of Jerusalem on the Constitutional Rights of Children, Economic Fairness for All, and for the Rights
of Religion, Nature, and the Worker/Farmer/Scholar”**

LET’S REVIVE the Reagan-Tip O’Neill-Gorbachev Era Multi-Party Strategy for the Ownership Society.

And Pray that the Pope and all the World’s Catholic and Orthodox and Oriental-Sacramental Bishops, each in his titular Cathedral, Simultaneously Re-Consecrate Russia to the Immaculate Heart of Mary, the Virgin Mother of YESHua/Ysua/Jesus/Issa!. [The Russian People were consecrated to the Immaculate Heart of Mary by Pius XII and most of the world’s bishops in 1954. And again in 1983 by Pope St. John Paul II and most bishops; but Russia as such by name has not yet been consecrated].

The Ownership Society is defined as one where nearly everyone, at least partly, owns their own job, via Tri-Partite (NOTE: Not “Tri-Lateral”) Boards of Directors of enterprises having 100 or more workers (Revelation 16:19). (Preamble: “promote the General Welfare”; ART I, § 8(b); ART IV, § 4 of the US Constitution).

The USA, the EU, Russia, the 3 nuclear powers of Asia-Proper [viz. China, India, & Pakistan], Israel/Philastina, Judaism, the Catholic Church and the other Christian Assemblies, Islam, and the other 4 of the 7 Great World Religions [Rev. 5:6], the UN and the ILO (International Labor Organization) need to lead the world to:

(1) TRI-PARTITE BOARDS OF DIRECTORS of all For-Profit Enterprises having 100 or more employees (Revelation 16:19) (ART. IV § 4 of the US Constitution); with 7-97 Board Members, half +/- 1 of them: women and the other half +/- 1 of them: men:

- 1/3 Workers of that enterprise, elected by them in Secret Ballots;
- 1/3 Stockholders, Bondholders, Lenders to and Insurers of that company, by Secret Ballots;
- 1/3 Members of the General Public, Publicly appointed by Economic Councils of 7-193 (half (+/- 1) of each natural gender, elected by secret ballots cast by all residents aged 12 or above, for every township, city, county, State, Province, Nation and Multi-National Trading Zone where a given business have a facility.

Top Paid Management or Staff cannot net for personal consumption more than 10 times more than the gross pay of the lowest paid, full-time worker in the enterprise, or in Government. These principles from the Catholic social teachings called Distributism and Subsidiarity, and from ART. IV § 4 of the US Constitution, inasmuch as invidious and excessive differences in consumption incomes are a threat to any and all republican governments; and from the US Constitution, which places government concern for the “general welfare” on the same footing as “provide for the common defense”, etc. as a duty of government.

And their own home **“under their own vine and their own fig-tree, with none to disturb them.”** (Micah 4:4). (ART IV Section 4 of the US Constitution).

(2) Full-time Work-Week at 20-Hrs Work for 40-Hrs Pay + EICs, with the difference paid not by the employer, but by Earned-Income Credits (EICs), funded by a graduated surtax, a Social Profits-Sharing Account, separate from General Revenue, on personal incomes, and corporate profits (after all other taxes, costs of doing business, investments, depreciation, dividend pay-outs, and donations) above \$73,242.46 per adult or employee of the given business in real 2015 dollars (Exodus. 16:16).

In this way, Wall Street subsidizes the wages bill of Main Street, instead of stealing from Main Street (the small business owners, who are semi-proletariat) and Shop-Street (i.e. Wage and Salary Workers and the unemployed, who are proletariat). Invidious and Excessive differences of consumption income are a threat to the Republican form of government)(See also: ART. IV § 4 of the US Constitution; Exodus 16:16).

Constitutional Amendments (some of these can be done by a simple Act of Congress; or by State Actions to take effect within that State. Others when all the States enact a Uniform Code similar to the long-standing Uniform Commercial Code; Others by International Treaty; Others by School Boards, etc.):

A) with individual’s option to refrain for religious reasons, otherwise: mandating the daily **“Our Father...”** & the **Jewish Shma (in Hebrew)**, optionally using the name for God [i.e ‘Yeshuallah’] indicated by Revelation 14:1; Zechariah 13:9; John 14:9-31; Qu’ran 17:106-112 ; and, optionally, a **modified Muslim call in Arabic; ‘El Ilaha illah Yeshuallah’**; and the **“Baruch Hatai...”** [“**Blessed Art Thou, Lord, God, King of the Universe....**”](in the local

vernacular); the **Full Pledge of Allegiance (with: “in God we trust”)** at each public school-day's start (with option to desist for religious reasons) and Singing of the **Full “National Anthem”**, the **Full “God Bless America”**, the **Full “Battle Hymn of the Republic”**; the **Full “My Country ‘tis of Thee”**; and the **Full “Negro National Anthem [“Lift Every Voice and Sing”]** at least once a week apiece at every public-school day; and the obligatory showing to everyclass as it reach the 3rd, 6th, 9th and 12th grade, of the two DVDs: **“The Exodus Revealed: Search for the Red Sea Crossing”** ISBN:1-56855-736-1" & **"Mountain of Fire: The Discovery of the Real Mt.Sinai”** www.ardustry.com . And required training in Natural Family Planning at age 15 for all youth.

The Community and the Republic have rights and duties too, not just individuals. In the dispute between Theism and Atheism, the US’s Founding Documents each state “In the Year of Our Lord, 1776... 1789”, Not the Masonic, Jewish, Moslem, Hindu, Chinese or Common Era year, so the USA is officially a theistic country, even a Judeo-Christian country (with a Moslem presence as early as 1660). Moreover, atheism is protected by the Supreme Court as a “religion as defined by the First Amendment”, and entitled to the same protections as any religion, but also forbidden to it, as to any religion, to become an “established religion” – which the ACLU through the Courts is trying to do.

B) Defining that **organic Human Personhood begins at the moment of fertilization** of a human ovum with a human sperm, whether licitly or illicitly conceived, genetically modified, conceived in vitro, or organically in nature, thus guaranteeing due process to every human from fertilization/conception/insemination to natural death. This can be done by a simple Act of Congress, as the Roe v. Wade decision itself admits!

C) Requiring public election of one to three men and one to three women Senators-at-large from and by each of the 5-7 races of humanity which may be in a nation, State or Province (though in some nations – like Belgium and Canada., by major language-ethnic groups);

D) National, State and Local pre-sequestering boards to prevent the live display or the publication, by any type of visual media, or material which glorifies meaningless displays of violence and/or illicit sex, and especially which combines sex with violence (see Micah 6:8 [KJV]: **“You have been told, O man, what is good, and what the LORD [YESHUallah (cf: Revelation 14:1)] requires of you: Only to act righteously, walk humbly with your God, and to love tenderly”** . The US Supreme Court declared such laws and agencies to be Constitutional, providing such agencies submit their sequestering order for judicial review within 5 (five) days. CF: ***Freedman v. Maryland: 380 U.S. 51 (1965)*** (See: www.endsexualexploitation.org for more.)

E- i) Lowering the voting age to 12, 14, or 16, as each county, State, Province or Nation may permit;(E-ii) raising the eligibility for US Congress to 30; Senate to 35, and President to 40.

E-iii) Misdemeanor fine and/or one day in jail or juvenile detention, for failing to register to vote when eligible within 30 days of moving to an address, or for failing to vote, without good cause, in a general election. F)

Requiring the current accounts budget to be balanced. In the event the debt is in danger of default, automatic graduated surtax on all Personal Residual Consumption Incomes (PRCI (AGI viz. Adjusted Gross [Taxable] Income minus all taxes) ; [Note: depreciation, costs of doing business, and donations, sales tax and State and Local taxes will have already be subtracted from Gross Income to get to AGI (and, to arrive at AGI, we would also deduct from Gross Income, current outlays for net productive physical asset acquisition or formation)]; PRCI greater than the GNAPCI (Gross National [or State; or Province; or SMSA (Standard Metropolitan Statistical Area); or County] Adult Per Capita Income) (\$73,242.46 average per adult in the USA in 2015 ([based on 2013 data) but which varies from State to State).

G- i) Allowing the term **“marriage”** only for a promissory life-long union of one natural man and one natural woman (for the natural law reason that only one man and one woman can perform only one coital act at a time, meaning that a child can have only one natural mother and one natural father; but G-ii) **“civil-unions”** of up to two (2) of same naturally-occurring gender; and G-iii) **“domestic-unions”** for up to 4 (four) bi-sexuals and/or hetero-sexuals, provided at most two are of same naturally-occurring gender, and at least one is of naturally-occurring opposite gender. (Ezekiel 16:48-58) . [Meeker persons are more likely to be tempted toward gayness than the overbearing, and have a duty to procreate the meeker geno-type within the human species; or else, be living examples of chastity and celibacy, as cultural exemplars toward population-control, to propagate that humans need not be ruled by their sexual appetite.

G- iv) **Outlawing transgender surgery as irrevokable, unwitting genocide** against the somewhat meeker Les-bi-gay genotype.

H) **That for-profit business corporations and entities can only donate to, or advertize for, electoral candidates** of whom a simple majority of all that enterprise’s stakeholders support, counting each natural-person-stake-holder as one-person-one vote (i.e. not by the value of their shares of ownership in the enterprise, unless one natural person or

married couple or other type of domestic-union [see; (G-i), above] have more than 50% ownership of same); and such donations to be transparent and made public in order to qualify as constitutionally-protected speech.

I) **a fee at the well-head, port of entry, or mine, of at least \$28.75 per ton of carbon dioxide** (about 25¢/gallon of gasoline) in Real 2015 PPP, Purchasing Power Parity, 97% of which is to be refunded to every adult and child resident in that country, in the form of Green-Energy Vouchers which can be used to pay for Green, clean, non-nuclear, non-fossil-fuel energy bought from a utility; or invested into Green-Victory Bonds, or invested directly into de-centralized household, business or institution's, neighborhood's, cities, counties or States green, clean electricity co-generating capacity, hybrid and all-electric or other non-fossil-fuel-using vehicles, locomotives, planes, boats and ships, direct solar-furnace heating and cooling, or energy economizing apparatus, light fixtures and/or, appliances, wiring, or plumbing., etc.. L- ii) Sale or placing at the disposal of local, county or State (or provincial) Police or sheriffs, or private persons, of weapons of war is a direct violation of the US Constitution ART I § 8 (m), which forbids establishment of armies for more than two years' duration. Any such war-grade materiel and/or equipment or weapons already in the hands of local or State Law Enforcement or private persons must either be destroyed, returned to the branch of the US military from which such had been unconstitutionally acquired; or sold to the appropriate branch of any US State's National Guard, pursuant to the US Constitution's ART I § 8 (q);

It is sad that the Muslim world, like the Christian and Jewish worlds, is divided by so many denominations: such as Sunni, Shi'a, Salafi; Awali; Druse, etc.. That division will not be reconciled by democracy unless the 3 main religions from Abraham; and within each, each historic denomination or Order of each religion from Abraham in Muslim-majority countries, have 1 man and 1 woman Senator in a Religions' Senate; East-of-Euphrates, even up to the 7 major religions (Micah 5:4b; Revelation 5:6); and within each religion, each sect or Order equally-weighted, voted on by the whole people aged 12 and above, with weighted votes by each sect or Order, so that each sect or Order have

the same voting weight as each other sect or Order within that religion.

And the same with regard to the 3 principal streams of the religion of Abraham: Jewish, Christian, Moslem, and the 3 minor ones: the Sabean, Druse and Yazidi: these latter 3 without internal sect or Order groupings, and with Sabians as Christians; Druse as Moslems; and Yazidi as Jewish, denominations or Orders).

That is the kind of representation Jacob has proposed for the United Tribes of Israel-Alleluia of the Land of YESHUallah Ha-MasiH in his books: "**Peace Process in the Holy Land: 2015..**" & "**Qu'ran Guarantees Israel's Right to Exist in the Holy Land...**", available at: www.bn.com under those titles, & at www.eCampus.com ; www.w-e-r-co.com ; Kindle; Amazon; Barnes & Noble; Nook; Ingram, etc.. Search for titles OR Author-Searches: James T. Jacob for some titles: Thomas J. Kuna, or Tom Kuna-Jacob, or Thomas J. Kuna-Jacob, for others.

Jacob also proposed that type of Constitution [viz, A Senate of Religions] for any Islamic Republic in Multi-Confessional, Islamic-Majority Societies, such as first proposed for Iraq on pp. 95-105 in the 2008 edition of that book; and in a letter to some 16 world political and religious leaders. The cover of that book (viz :PPHL) can be seen at :[Peace Works Press facebook page](#), and an e-copy for only \$19.18 + IL Use-Tax from the link: www.w-e-r-co.com at that site . The book is 564 pp. in paper; and some 460 pp. in e-copy (deleting the catalog, but providing a web-link to the catalog).

Finally, among the most important steps: The joint, simultaneous, broadcast, consecration of Russia to the Immaculate Heart of Mary by the Pope and all the World's Catholic, Orthodox, Oriental-Sacramental Bishops and other Eucharistic Bishops, each from his titular Cathedral, of all the Rites in full or partial Communion with the Holy See, as requested by the Blessed Virgin Mother of YESHua/Jesus/Ysua/Issa at Fatima: she, the first Hebrew-Catholic, and He, the first Islamic-Order-Hebrew-Catholic.

A Modest Proposal for a Standard Hebrew-Christian, and an Islamic-Christian, Liturgies of Worship

Jacob, a Hebrew-Catholic, in this book [i.e.: "**Peace Process in the Holy Land...**"] proposes the formation of a Hebrew-Catholic Ordinariate, with a liturgy of the Mass based on the Real Presence of YESHua(Allah)[Revelation 14:1] Ha-MasiH (viz Jesus-God the Anointed Savior-King of the Universe and All the Just from sin, death, hell and entropy) in the unleavened bread and the words of consecration, and using the embroidered bag(the matzoh toff), as at a Seder (Passover-Meal), with three pouches, each holding a piece of pierced, unleavened bread (matzoh); with the one in the middle pouch to be used for the current Mass, with the whole bag stored in the Tabernacle behind the altar.

On the altar is to be two stacks of six unleavened bread in each, per Leviticus 24:1-9. One a day, (or one per Mass) for 12 days (or 12 Masses), will be placed in the bag's right pouch (from the celebrant's perspective) at the end of the Mass, and the matzoh which was in the right pouch, is moved to the left pouch and the matzoh that had been in the left moves into the center for the next mass.

The priest celebrant -- a duly ordained priest of the Hebrew-Catholic Ordinariate (or of the Islamic-Catholic Ordinariate -- would wear the garments with the ephod chest plate (with 12 gems: one of each for each of the twelve tribes of Israel and also for the Twelve Apostles as well as for the 12 chief-tans of Ishmael) and a Miter (especially designed, kippa, biretta or "skull cap") that the celebrant would remove at the Consecration, and otherwise wear during the rest of the mass.

These are some of the distinctive elements of the Mass in the proposed Hebrew-Catholic Ordinariate, given in Hebrew; or in Arabic, for those of the proposed Islamic-Order of the Hebrew-Catholic Ordinariate (e.g. descendants of the followers of Shabbatai Zvi), or the local vernacular, and using milk mixed with mustum [aged fruit-drink stopped short of becoming alcoholic] instead of wine [Isaiah 55:1].

This is how the Hebrew Catholic Mass could be celebrated throughout the Jewish Diaspora and in Israel Alleluia of the Land of Y'shua, and on the Temple Mount, in the Mishkan (Tabernacle -Tent of Exodus, which was the flight from Egyptian slavery under the strong and miraculous hand of the Lord of Hosts, (cf: the 2 DVDs: "**The Exodus Revealed: Search for the Red Sea Crossing**", Questar, Chicago, Illinois and: "**Mountain of Fire: The Discovery of the Real Mt. Sinai**", Ardustry) Who also gave the first forms of the liturgy of the Mass, which is the Transfiguration, transformation and fulfillment of the Mosaic law of sacrifice, and also the God-ordained way in which God wants to be worshiped -- according to the sacrifice of Melchizedek -- that is prior to the Mosaic animal sacrifice, and which bread and wine sacrifice gives more pleasure and glory to God -- as God Himself has said -- than any

Mosaic animal sacrifice (see also: Tobit 13:10c).

The celebration of this observance of the fulfilled, Transfigured and Transformed Mosaic law, in Y'shua Ha-Maschiach / Jesus the Christ, in this way, rather than the slaughter of animals in a third stone temple, would end much of the dispute between Israel and Filastina, between Jews and Moslems, and between Zionism and Arabism, and with **"Filastina as a family within Judah"** (Zechariah 9: 6-8) , and with the tribes of Israel that are associated respectively with Judah and Ephraim; and the celebration of the Mass in this way will be the basis for peace and unity among them, in the One Nation of the Union of Israel, Philastina and Jordan, per Ezekiel 37, Eretz Yeshua, the Land of Jesus, pronounced by Pope John Paul II, per Isaiah 62: 2.

And to fulfill Zechariah 12:10-14, Hebrew-Catholic Synagogues would have a large crucifix, covered in purple-cloth all year long, except on Eastern Orthodox Good Friday and Roman Rite Great Wednesday/Great Holy Week (see: pp. 327-332 (?)of the book cited above). And the same for the Islamic-Catholic Rite, which also would use fig or date mustum (i.e. aged fruit-drink stopped just short of becoming alcoholic) and a drop of camel's, ewe's or cow's milk. (Per Song of Solomon 5:1; Isaiah 55:1; Qu'ran 5:112-117, **"The Table"** a.k.a. **"The Repast"**, a.k.a. **"Al-Ma-'idah"**.)

DATE: Original Date: Monday-Wednesday, July 14-16, 2014: Feasts of St. Kateri Tekakwitha, Virgin and Martyr, 1st Native Born Amer-Indian Saint of North America; St. Bonaventure, Second Founder of the Franciscan Order, Doctor of the Church; Our Lady of Mt. Carmel, the Mt. where Neanderthal and Cro-Magnon mankind fruitfully intermarried to sire modern mankind; and where the Prophet Elijah did miracles; and from whence Fr. Elias Friedman and others launched the formal organization of Hebrew-Catholics.

It will not do to have Westerners scoff at Russian Foreign Minister Lavrov's statement that self-determination and secession by plebiscite -- even of a province or district of a nation (except for a nation -- like the USA -- where secession is forbidden by its Constitution); it will not do to demean the Russian Federation for making that argument with respect to both Ukraine and the 3 "splinter" republics of the Caucasus Region because it has been part of International Law both since Woodrow Wilson's 14 Points and most recently by the International Community's support of the secession of East Timor from Indonesia.

Likewise, the option to secede has been part of Russian and Soviet law since the 1905 Revolution.

Hence, the Association for World Peace, Justice and the Messianic-Charismatic Development of Peoples re-iterates our proposals of the summer of 2014 regarding Ukraine and other crises. Towhit:

Ukraine to remain united, not divided, but with a Bi-cameral Parliament, with a Senate of 10 Senators from each of the 22 provinces of Ukraine, including the small tip of SW Crimea: one man and one woman from each of the historic peoples in Ukraine: (1) ethnic Ukrainians, Christian as well as non-Theist; (2) ethnic Russians, Christian as well as non-Theist; (3) ethnic Jews of any stream, including Messianic Jews, Humanist Jews and Hebrew Catholics, and non-Theist Jews; (4) ethnic Gypsies of any religion; (5) and ethnic Moslems of any stream, and voted on by all the people, but with the weight of the votes of each ethnic group the same, regardless of their relative demographic numbers in each province or comparatively between groups; and the weight of each stream, tradition, denomination and Order within each of those 5, the same as that of the others within those 5; and a Popular Assembly, one man and one woman from each district of fairly equal population as all others in Ukraine, voted on by the whole people, with each fifth of the electorate having equal voting weight as each other 5th, regardless of their relative demographic numbers in each popular district . And the same in Provincial assemblies.

But with East-of-Dnieper Ukraine also a part of the CIS or the Russian Federation; and the same for the Russian majority of the section of Crimea which voted to join the Russian Federation; and West-of-Dnieper also a part of the EU and of NATO; and the Province where Kiev is found, a member of each: the EU, the CIS and of NATO. In the event of any contention between NATO and the CIS, Ukraine as a whole may remain neutral by a simple majority

vote of both Chambers in Joint Session, and guaranteed by the Security Council.

And all Ukraine to be a member of what we have proposed as the Federal Republic of Eastern Europe (F.R.E.E.) in our book: **“Peace Process in the Holy Land, World Peace and Justice and the Future Architecture of the Universe....”** (SEE: www.barnesandnoble.com ; www.bn.com ; www.kriso.ee ; www.asiabooks.com) adding Poland, Slovakia, the Czech Republic, Turkey, Iran, the 6 Caucasus Republics, including the 3 "splinter" Republics, & the 4 Baltic ones, to be in that Federal Union, and each member nation of which may choose to be of NATO, the CIS, the EU or 2 or 3 of them. Definitely all 3 for the 6 Republics in the Caucasus (the original 3, and their 3 splinter Republics); the 4 Baltic ones; and Iran, too, to be in that F.R.E.E., which latter may vote neutrality by a simple majority of its 5-House Legislature.

And Israel, Philastina & Jordan united in a Federal (not a Confederal!) Union of its historic 12 tribes starting with Judea (Zechariah 12:7) (with **“Philastina as a family within Judah and Ekron as the Jebusite”** [Zechariah 9:7-8]); and with ethno-religious representation in the Knesset similar to that we have proposed for Ukraine, and likewise for Islamic-Majority Nations. And with NATO supporting the Assad Gov’t if Syria and Lebanon recognize Israel, and, when they and Egypt, Iraq and Iran sign with each other and **“Israel Alleluia of the Land of Jesus/YESHua/Ysua/Issa”** a Treaty of Recognition, Trade and Friendship.

And also, **Hungary’s** future lies in working with Ukraine and others to establish the Federal Republic of Eastern Europe; (F.R.E.E.) NOT in trying to recover those territories and persons which had been unfairly taken from her after WW I but partly restored to her by Italian Arbitration during WW II, despite that Hungarians nowadays are treated in Romania as “white n_____s”. And with Hungary, Poland, the Baltic Republics and all East-Central Europe as members of NATO and the EU, (NB: East Europe [from Belarus eastward], is not the same as East-Central Europe). And each nation of Eastern Europe may opt to be members of the CIS, and/or NATO and/or the EU. Hungary’s future also lies in working with Ukraine and others – especially Israel-Alleluia – and the Federal Republic of Eastern Europe, to champion free-enterprise socialism throughout the ecumene (viz. the human habitat).

And non-contiguous **Statehood within the USA of those Amer-Indian Nations’** lands and peoples’ reservations as may opt to join such a State of Amer-India, including such lands as had been awarded them by prior (and US broken) treaties and that other US State’s legislatures may vote to cede/relinquish from time to time to such a non-contiguous State.

The Amer-Indian nations are the most oppressed minority in the US and in many other American States/Members of the OAS (Organization of American States).

And with such a State – as well as the 13 original States of the Union, and Utah, Texas, Oklahoma and California, as formerly independent, sovereign states, also having voting seats in the UN General Assembly (but not on the Security Council). **Statehood for the District of Columbia**, excluding the Federal Triangle and other Federal facilities, and including whatever parts of adjacent Maryland and Virginia as those States’ Legislatures may freely vote to cede to that **State of Columbia**; and Statehood for those Caribbean islands as may from time to time vote to join such a **State of Caribbea**, with each such Island retaining its seat in the General Assembly, but not the UN Security Council.

And the **African Union** to have a Bi-Cameral Legislature: a Senate with 1 man & 1 woman from each of her over 4,000 Tribes; and a States’ House, with 1 man & 1 woman from each African-State-Member of the U.N. as we proposed in our book: **“Social-Justice and the Multi-Racial Working-Class....”**.

And let us all pray that Pope Francis together with all the world’s Eucharistic bishops, simultaneously, each in their own titular cathedral, re-consecrate Russia to the Immaculate Heart of the Blessed Virgin Mary, as Our Lady of Fatima asked, and as may have been done in 1954 by the world’s Catholic Bishops and Pope Pius XII (who saved over 830,000 Jewish lives during the Holocaust, as reported by Rabbi Pinchas Lapide in his book: **“Three Popes and the Jews”** [NY Hawthorne Books, 1967].
